

SALA E

Design by Hans Thyge

SALA was awarded the prestigious international design award „Forsnäsprisen“ in 2000. Awarded, among other things, for its light and slim look.

A chair for training, canteens, meeting rooms and for adding a certain lightness to any room.

- Awarded for its light and airy expression
- Part of the well-known SALA family
- The chair is ideal for educational or multi-seating environments or for conferencing
- Can be retrofitted with armrests
- Polished 5 star alu-base
- Not stackable
- Weight: 7 kg
